To the Shareholders

Dear Sir or Madam,

# PROPOSALS FOR RE-ELECTION OF DIRECTORS, GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES, AND NOTICE OF ANNUAL GENERAL MEETING

#### **INTRODUCTION**

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the AGM relating to the re-election of Directors and the granting to the Directors of general mandates for the issue and the repurchase of Shares up to 20% and 10% respectively of the nominal amount of the Company's issued share capital.

#### **RE-ELECTION OF DIRECTORS**

Pursuant to Articles 86(3) and 87(1) of the Articles of Association, Mr. Wong Man Kit, Ms. Ng Sui Chun, Ms. Wong Wai Sum, May, being the Executive Directors, and Dr. Chan Yuen Tak Fai, Dorothy, being an Independent Non-Executive Director, shall retire by rotation and, being eligible, offer themselves for re-election at the AGM. Brief biographical details of the retiring Directors are set out in Appendix I to this circular.

### LETTER FROM THE BOARD

#### GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the last annual general meeting of the Company held on 31 August 2015, ordinary resolutions were passed to grant general mandates authorising the Directors (i) to allot, issue and deal with Shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company at that date (i.e. not exceeding 53,225,000 Shares) ("Existing Issue Mandate"); and (ii) to repurchase Shares not exceeding 10% of the issued share capital, or the relevant class of Shares, of the Company at that date (i.e. not exceeding 26,612,500 Shares) ("Existing Repurchase Mandate").

The Existing Issue Mandate and the Existing Repurchase Mandate will expire upon the conclusion of the AGM. The Directors consider that the Existing Issue Mandate and the Existing Repurchase Mandate increase the flexibility in the Company's affairs and are in the interests of the Shareholders, and that the same shall continue to be adopted by the Company. New general mandates to allot, issue and deal with Shares up to 20% ("Issue Mandate") and to repurchase Shares up to 10% ("Repurchase Mandate") of the issued share capital of the Company as at the date of passing of Resolutions 5(A) and 5(B) set out in the AGM Notice respectively will be proposed at the AGM. Resolution authorising the extension of the general mandate to the Directors to issue Shares to include the aggregate nominal amount of such Shares repurchased (if any) under the Repurchase Mandate is to be proposed as Resolution 5(C) at the AGM.

With reference to the proposed new Issue Mandate and Repurchase Mandate, the Directors wish to state that they have no immediate plans to issue any new or repurchase any existing Shares pursuant to the relevant mandates. Save as disclosed, the Company did not obtain any other general mandate or special mandate to issue Shares in the past 12 months.

An explanatory statement containing the particulars required by the Listing Rules to enable the Shareholders to make an informed view on whether to vote for or against Resolution 5(B) to be proposed at the AGM in relation to the Repurchase Mandate is set out in Appendix II to this circular.

#### AGM

The AGM Notice is set out on pages 15 to 18 of this circular. Ordinary resolutions in respect of the re-election of Directors and the grant of the Issue Mandate and the Repurchase Mandate to the Directors as referred to above will be proposed at the AGM.

A form of proxy for the AGM is also enclosed with this circular and published on the websites of the Stock Exchange (www.hkex.com.hk) and the Company (www.amspt.com). Whether or not you are able to attend the AGM, you are requested to complete the form of proxy in accordance with the instructions printed thereon and return it to the Company's Hong Kong share registrar and transfer office, Union Registrars Limited, at Suites 3301–04, 33/F., Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for holding the AGM or any adjourned meeting thereof. Completion and return of the form of proxy shall not preclude you from attending and voting in person at the AGM or any adjourned meeting thereof should you so desire.

### LETTER FROM THE BOARD

#### **VOTING BY POLL**

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll, except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, the chairman of the AGM will exercise his right under Article 66 of the Articles of Association to demand a poll on each of the resolutions to be proposed at the AGM.

#### RECOMMENDATION

The Directors consider that the proposed ordinary resolutions for approval of the reelection of the retiring Directors, the grant of the Issue Mandate and the Repurchase Mandate to the Directors and adding the aggregate nominal amount of Shares repurchased (if any) under the Repurchase Mandate to the aggregate nominal amount of Shares that may be allotted pursuant to the Issue Mandate are each in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

#### **GENERAL INFORMATION**

Your attention is drawn to the additional information set out in the Appendices to this circular. The English text of this circular shall prevail over the Chinese text.

Yours faithfully, For and on behalf of the Board AMS Public Transport Holdings Limited Wong Ling Sun, Vincent Chairman

Save as disclosed herein, there is no other matter which needs to be brought to the attention of the Shareholders and there is no other information requiring disclosure under rule 13.51(2) of the Listing Rules.

This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the AGM in relation to the proposed Repurchase Mandate.

#### SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company was HK\$26,616,800 divided into 266,168,000 fully paid Shares.

Subject to the passing of the resolution granting the proposed Repurchase Mandate and on the basis that no further Shares will be issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 26,616,800 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

#### **REASONS FOR REPURCHASE**

The Board believes that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares on the Stock Exchange. Any repurchase of Shares may, depending on market conditions and funding arrangements at the prevailing time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Board believes that a repurchase of Shares will benefit the Company and the Shareholders as a whole.

#### FUNDING OF REPURCHASE

Repurchase must be funded out of funds which are legally available for such purpose in accordance with the Memorandum and Articles of Association and the Companies Law, Chapter 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands ("Companies Law"). The Company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Cayman Islands law, repurchase by the Company may only be made out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles of Association and subject to the provisions of the Companies Law, out of capital under certain circumstances.

Any premium payable on repurchase over the par value of the Shares to be repurchased must be provided for out of the profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles of Association and subject to the provisions of the Companies Law, out of capital under certain circumstances.

#### POSSIBLE MATERIAL ADVERSE IMPACT

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate is to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 March 2016, being the date of its latest audited consolidated financial statements. Therefore, the Directors do not intend to make any repurchase to such an extent as would, in the circumstances, have a material adverse effect on the appropriate working capital requirements or the gearing position of the Company as they would consider from time to time.

The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are to be repurchased will be decided by the Directors at the relevant time having regard to the circumstances then prevailing.

#### TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases when the Company exercises its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could, depending on the level of such increase, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, so far as known to the Directors and according to the register of interests and short positions of substantial Shareholders maintained by the Company pursuant to section 336 of the SFO, Skyblue, a company incorporated in the British Virgin Islands and wholly owned by Metro Success, was interested in 157,677,000 Shares, representing 59.23% of the entire issued capital of the Company. Metro Success is wholly owned by JETSUN, which is the trustee of The JetSun Unit Trust, of which 9,999 units are owned by HSBCITL (as trustee of The JetSun Trust) and the remaining 1 unit is owned by Mr. Vincent Wong. The entire issued share capital of JETSUN is owned by HSBCITL. The discretionary objects of The JetSun Trust are Mr. Wong, Ms. Ng, Ms. Wong Wai Sze, Cecilia, Ms. May Wong and Ms. Wong Wai Man, Vivian.

Assuming that Skyblue (being the controlling shareholder as at the Latest Practicable Date) does not dispose of its Shares, if, which is not presently contemplated, the Repurchase Mandate is to be exercised in full, the percentage of shareholding of Skyblue before such repurchase based on the issued share capital of the Company as at the Latest Practicable Date, being 59.23%, would be increased to approximately 65.82% after such repurchase.

Apart from the aforesaid increase in shareholding held by Skyblue, the Directors are not aware of any consequences of such repurchase of Shares that would result in Skyblue or any other Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. If the Repurchase Mandate is to be exercised in full, the percentage of shareholding held by the existing Shareholders who

being excluded from the definition of "members of the public" given under Rule 8.24 of the Listing Rules, currently altogether holding an aggregate of approximately 72.7% of the shareholding of the Company, will then exceed 75% and thus, the number of Shares held by the public would fall below 25% of the total number of issued Shares. Nevertheless, the Company has no present intention to repurchase Shares or exercise the Repurchase Mandate in full so that the public float of the Company would not fall below 25% of the total number of issued Shares.

#### **SHARE PRICES**

During each of the twelve months preceding the Latest Practicable Date, the highest and lowest prices at which Shares were traded on the Stock Exchange are as follows:
